

PRESS RELEASE

IMCO Software to participate in IMPACT 2020, with Industry Expert Ruben Mirensky (President and CEO of IMCO Software).

Media Contact: Ayla Gwizdak – Marketing Specialist – Tel.: 904-855-8885 x108.

October 18-20, 2020 – Chicago, Illinois – CEO of IMCO Software Ruben Mirensky as well as President of Alpha-3i, Pierre Bornand, will be attending IMPACT 2020. They will be presenting IMCO-CIMAG MES as well as other software in the IMCO-CIMAG suite of products.

IMCO-CIMAG MES (Manufacturing Execution System) is a perfect software for transforming your factory to new Industry 4.0 standards. With an MES software, you can:

- Increase net profit margin by 5%
- Reduce lead time by 35%
- Increase output by 15%

These statistics were found by MESA International, [read more here](#)
